

Come work at BAK restaurant. BAK restaurant has been around for over 10 years now. We started as a pop-up restaurant and now evolved to one of the best restaurants in the city. (At least this is what we strive for). We have an extended tasting menu and also serve a la carte. We have a big wine list which also includes a lot of unicorn wines to sell and cherish.

We have multiple positions available:

- chef de partie
- kitchen apprentice
- front of house staff (fulltime)

What do we have to offer?

- a flexible contract
- a four day work week in a full time contract
- various career opportunities and training programs
- a unique experience in a dynamic workplace
- a good salary (matched to position and work experience)
- to work with one of the best wine selections in the Netherlands
- the best staff food in town :)
